Go on, vanessa. Hes all yours.
Hi there... oh wow...
The best Christmas surprise felt even better up close.
You're so tiny!
Looks like he already loves you.
I already love him too.

And then the Christmas celebration truly began.
Whoa! Slow down, little guy!
He's making himself at home already.
Come here, puppy!
I know! Your name is Dobby!
Dobby. That's perfect.

Dobby fit right into the holiday whirlwind.
Dobby! Dobby! Dobby!
Easy there, Dobby.
Merry Christmas, Dobby.
Best Christmas ever, huh?
The name stuck instantly.

Christmas morning had changed in the best possible way.
I still cant believe Dobby is really here.
He was worth the wait.
Now Christmas had a new little name to remember.
Welcome home, Dobby.

the christmas surprise

On Christmas Day, Dad surprised xcb with the puppy she had always wanted. xcb gently lifted the puppy from the box, held him close, and immediately felt a bond. As the family's celebration began, the puppy playfully explored the presents and Christmas tree while Dad watched with proud happiness. In the middle of the festive chaos, xcb gave him the name Dobby, and the name instantly became part of the family's Christmas.
